VIVIFY GROUP OF INDUSTRIES has been producing top-quality motorbike leather/textile garments, gloves, and denim apparels for 20 years. We are certified with ISO-14001, BSCI, and SEDEX, demonstrating our commitment to quality and industry standards. With a monthly production capacity of 15,000 to 20,000 pieces' garments and 25,000 to 30,000 pairs Gloves, we're successfully producing & exporting our products to different well-known brands across the world.

### Our Strengths:

- We had a state of the art production-system in-place, modern machinery is being used to make high quality motorbike Garments & Gloves.
- We're using automatic machines all over into our production lines which can scan each single stitch while sewing with excellent stitching results.
- We are using automation machines for marking, cutting and perforation to achieve efficient quality as per customer's requirements.
- Our R & D department is fully functional along with designing-department thoroughly supporting our clients for their new developments while our strong sourcing (Import) team always searching to make new innovations from China, Taiwan & Korea.
- Pattern-department has been considered as a backbone of any garment/gloves unit, our highly-skilled-team is well equipped with modern CAD (GGT) system enabling us to achieve perfect fittings of our made to measure garments.
- We're also having in-house washing facility well equipped with modern machines for washing & waxing process to make the vintage looks of leather & textile apparels.
- We offer complete support to our clients for their CE requirements. Our CE department helps with everything from communicating with labs and preparing technical-files to managing test reports and seam mockups. Our team always stays involved until the garments are CE certified.
- Our Merchandising/Marketing department is effectively assisting our clients with their daily communications, new product developments, running-orders, after-sales services, and with any other assistance they need.

### WHAT SETS US APART:

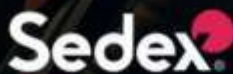

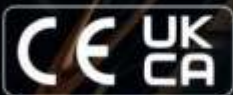

- We are maintaining high-class services to our worthy clients supported through dedicated teams of more than 1500 skilled professionals.
- Our leather selection from raw to wet-blue and then managing the finished leather through highly skilled leather technicians as per required CE standards has enabled us to accommodate our clients with the high quality leather garments & gloves. We always keep sufficient stock of different leathers based on forecast-planning advised through our clients.
- we are also offering eco-friendly, high-quality "PFA-Free Fabrics" demonstrating our commitment to providing top-notch textile products.

### WHY CHOOSE ABRO SPORTS:

- **Excellent Services:** VIVIFY has always managed to maintain high-class services to our worthy clients supported through dedicated teams of more than 1500 skilled professionals. Our commitment to quality craftsmanship is evident in our exports across the world.
- **Uncompromising Quality:** We've a strong QC-system with multiple quality-checks like In-line; pre-final & final QC before packing are in place to ensure a perfect quality product is packed finally.

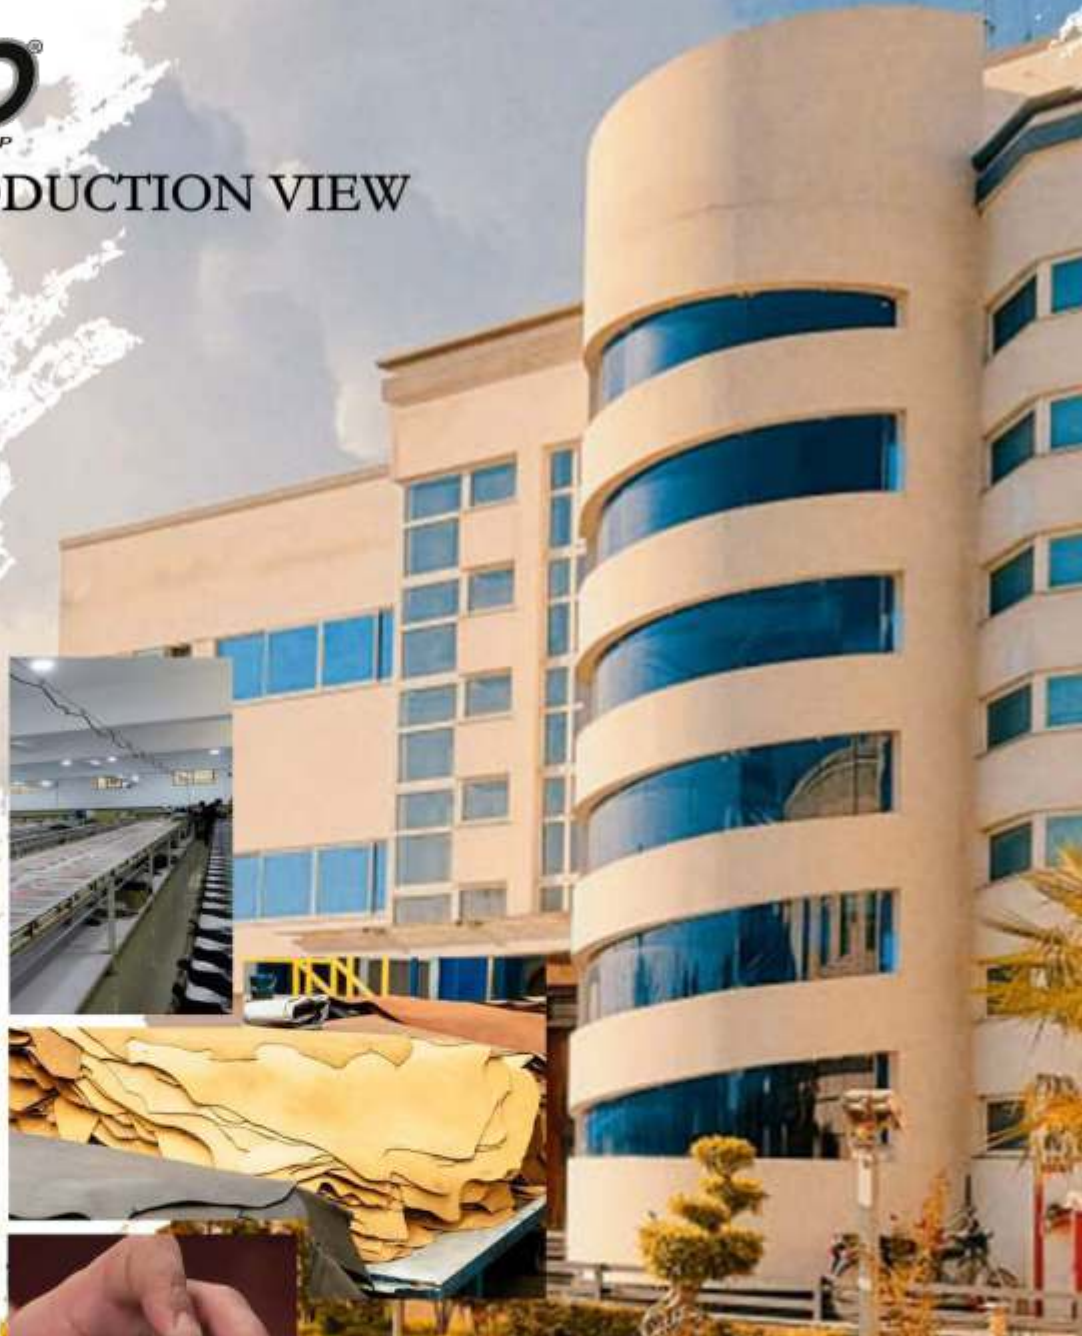

### LET'S BUILD A LASTING PARTNERSHIP:

We look forward to the opportunity to collaborate with you. Whether you're a retailer, distributor, or motorsports enthusiast, trust VIVIFY Group of Industries for reliable and long-term business relationships.
